Everyone Speaks Family

AUGUST 2022

Once again, a **HUGE** thank you for helping us attend our biannual all-staff conference this year. We really enjoyed connecting with old and new staff in FamilyLife as well as our Cru family. It was the first time that FamilyLife staff have been together since the move from Little Rock! We had 4,000 Cru staff in attendance and another couple thousand watching remotely from around the world.

A historic moment for sure... Ney Bailey being interviewed by Bob Horner. She is the single Cru staff who God used to birth FamilyLife. It never gets old hearing her testimony!

One of our main sessions was spent in prayer and reflection.

FamilyLife had some time together during ministry days. Can you find us in the crowd? :)

In other news, we recently had the opportunity to pre-record a radio segment for the Pastor2Pastor program on The Word 105.7FM radio. What a great opportunity to share the ministry of FamilyLife!

We were able to share a bit about our own testimony and how the Weekend to Remember made a difference in our marriage.

We were told by Steve, the audio engineer, that Bob Lepine used to work at this radio station and that he worked with Bob! Steve just celebrated 40 years with this radio station!

Praying for John and Bev

The Weekend to Remember promotional season is beginning. Bev and I manage two volunteer teams: The Sacramento Team and the Bay Area Team. Please pray that we would hear from the Holy Spirit in how to invite and lead the volunteers.

We truly need God to move in the Bay Area to revive the family...the way God planned it. Pray for God-ordained interactions and introductions as we begin developing relationships.

With our new job as regional representatives, our time working and time off gets blurred. Sometimes, I (John) can get caught up in excitement and not come up for air. Please pray for a healthy balance of my time.

*So grateful for you!

Join the LLYMI Team **February 13-17, 2023, at the Hilton Sandestin Beach Golf Resort and Spa as we present "Empowered to Love"**. This event is a one-time FamilyLife event featuring Ron & Nan Deal's Empowered to Love messages.

This unique event is designed to provide you with not only a biblical message to help you grow a deeper and more satisfying relationship with your spouse, but there will be lots of fun and engaging opportunities as you spend time together. Join other like-minded couples at the beautiful Hilton Sandestin Beach Golf Resort and Spa for worship, teaching, breakouts, Christian entertainment, and tons of together time. You will enjoy some of the things you've loved about the LLYMI Cruise - plus some things we've always wanted to do. You won't want to miss it.
